

Hello, my name is Patrick Reilly. I am currently finishing my third year of dental school at Tufts University School of Dental Medicine in Boston.

To be brief- upon graduating in May 2017, I am looking to move to Georgia (hopefully Atlanta area) to live and practice. Being that you are (according to the website) the head of the Seattle Study Club in Atlanta, I was hoping you might be able to put me in contact with a member of your organization who is a general dentist and might be able to help/mentor me to find a practice where I could grow as a practitioner.

I contact you about this because I have seen the great influence the Seattle Study Club has had on some recent graduates I know, and believe it could potentially be a good place to start. If I join private practice after graduating, I plan on joining the Seattle Study Club to continue my education.

Sincerely,

Patrick Reilly  
TUSDM Class of 2017
